# COMPUTER RE-USE PROGRAM

*Supporting Efforts for Access to Technology Worldwide*

**ALL units are accepted by Total Reclaim.**

However, the Re-use program prefers the following units:

- \* Pentium II (233 MHZ) and above computers
- \* Monitors less than 5 years old.
- \* Complete and working condition.

All non-usable units are properly recycled.

See [www.computers.interconnection.org](http://www.computers.interconnection.org) for details

In Partnership With:

**World Computer Exchange**  
 bridging the global digital divide
